PETITIONING THE COURT

TO MODIFY THE CONDITIONS OF SUPERVISION AS FOLLOWS:

PRAYING THE COURT WILL ORDER THE DEFENDANT TO SUBMIT TO TREATMENT AND/OR TESTING, FOR DRUGS OR ALCOHOL, AS SPECIFIED BY PRETRIAL SERVICES.

CAUSE

Following his release from custody, Mr. Garcia informed the undersigned of his substance abuse history. He reported using marijuana and cocaine, on a recreational basis, up until December 2013. Considering his young age (24), the seriousness of the illicit drugs, and the recency of his last reported use, we feel drug testing and/or treatment is warranted.

Pretrial Services has confirmed with the defendant, the Assistant U.S. Attorney and defense counsel, and they are in agreement to add drug testing to the defendant's existing conditions. This condition will allow Pretrial Services to monitor for any illicit drug use.

ADDITIONAL INFORMATION:

The undersigned received a computerized notification and an email from U.S. Customs & Border Protection, indicating the defendant had crossed into the United States from the San Ysidro Port of Entry on April 5, 2014.

On April 8, 2014, the undersigned spoke to the defendant in our office. Mr. Garcia readily admitted to going to Tijuana on April 4, 2014. He explained he got a call that his grandmother was very ill and had been hospitalized at Hospital Angeles. The defendant was aware he could not go to Mexico without authorization from the court. Mr. Garcia related he was worried for his grandmother as she is elderly. The defendant apologized and understands the seriousness of his actions. At this time, we are requesting that action be held in abeyance. However, any future violations will be brought before the court forthwith.
